

Email 1 — Write an email from a student to their professor requesting an extension on an assignment submission deadline. The email must follow all professional email rules.

Ans :-Subject: Extension Request

Dear Professor,

I hope this email finds you well.

I am writing to respectfully request a short extension on the maths assignment due on 30 march. While I have been working diligently on the assignment, I have unexpectedly encountered a family emergency that has significantly impacted my ability to complete the work to the best of my ability by the current deadline.

I am committed to producing high-quality work for this course. Therefore, would it be possible to submit the assignment by 1 april instead?

. Thank you for your time, understanding, and consideration of my request.

Sincerely,

Sarisha lambor
